Debit Card

The *Benny™ Prepaid Visa® Card* is a debit card option that is part of the Healthcare Flexible Spending Account (FSA) or Dependent Care Reimbursement Account. Employees participating in the Healthcare FSA or Dependent Care Reimbursement Account may elect to use debit cards to obtain direct reimbursement of Qualifying Expenses, subject to applicable substantiation requirements. If I don't elect a debit card, I will submit a Reimbursement Form to request reimbursement.

I do I do not want a debit card.

I already have a debit card and want to continue using it in the new Plan Year.

Required Receipt Information

All charges made to the Card are only *conditionally reimbursed* until related receipts are received and approved by HealthTrust per Internal Revenue Service (IRS) regulations. Documentation of the expense* should be submitted to HealthTrust within **14 days** of using the Card to pay for an approved FSA expense. This can be in the form of a bill, receipt of payment (from provider or insurer), explanation of benefits or a written statement from an independent, third party noting the service incurred and its expense amount.

*Documentation is not required if the expense equals the co-payment amount required by 1) your employer's medical plan for a doctor's office visit, or 2) your employer's pharmacy plan for a prescription. Also, the IRS requires that the Card work only at discount stores, department stores and supermarkets that can identify FSA-eligible items at checkout; therefore, documentation of those purchases is not required.

All receipts submitted to HealthTrust should include the following IRS-required information:

- Name and address of service provider
- Date service and expense were incurred
- Name of person receiving the service ○ Detailed description of service provided
- Amount charged for service

Credit card slips from *Benny™ Prepaid Benefits Card* transactions cannot be submitted as receipts because they typically do not include all of the information noted above. Also, if your employer allows over-the-counter items to be covered under your FSA plan, receipts must have each item's name printed on them; handwritten item names are not acceptable.

Debit Card Agreement and Signature

I also understand and agree to the following:

- If I request a replacement card(s) or additional card(s), I am authorizing a fee of \$5 to be debited from my account.
- I certify that the debit card will only be used to pay for my IRS-eligible healthcare and/or dependent care expenses or those of my spouse or dependent(s) that have not been reimbursed, and I will not seek reimbursement for such expenses under any other plan.
- I understand that I am required to submit and retain paper substantiation for all expenses charged to the debit card unless otherwise permitted by the FSA Administrator in accordance with applicable IRS rules.
- I understand that the debit card can only be used during the current Plan Year and cannot be used in any applicable grace periods.
- I understand and agree that misuse of the debit card will result in permanent revocation of the card and I will be obligated to repay any ineligible expenses that have been reimbursed.
