

# Paul Smith School

## 2016-2017 Parent Compact

The staff and the parents/guardians of the Paul Smith School are continually raising their standards and expectations. The following compact will show how both the families and the school are working together toward raising the quality of students' educational experiences.

The school agrees to:

- Provide academic programs that are challenging and motivational
- Continue providing researched-based intervention, reading, and writing programs
- Provide services for students to achieve high standards
- Communicate with parents on an on-going basis regarding students' academic progress
- Continue to build a welcoming school environment in which all children and their families will be treated with respect

We are looking to the **parents** to support the child and the school community through the following actions and activities:

- Promote respect and responsibility of peers, adults, and school materials
- Send their children to school ready to learn
- Promote reading with their children
- Assist children with organizational skills by checking backpacks/bags, planners, etc. for notes and messages, and assisting their child with homework
- Schedule a conference with the classroom teacher to discuss academic progress
- Parents will have the opportunity to communicate with other staff members as needed

Please sign and return the bottom portion of the Title I Parent Compact to your classroom teacher on or before September 24<sup>th</sup>.
